*Technology Assurance Group
Recognizes Imagine Technology
Group as the Elite Provider at their
21st Annual Convention*

CHANDLER, AZ — April 18, 2022 — Imagine Technology Group, a leading managed security and IT services provider, announced today that the company received Technology Assurance Group's top award at the association's 21st Annual Convention event held in Scottsdale, AZ. Technology Assurance Group (TAG), an organization of leading managed technology services providers in the United States and Canada representing \$800 million in annual products and services, selected Imagine Technology Group as the winner of the "Performance Excellence Award" for exceptional economic performance and superior customer satisfaction. Imagine Technology Group was highlighted as a premier provider during a prestigious awards ceremony attended by TAG's Member companies and leading technology manufacturers.

TAG's highly sought-after Performance Excellence Award is given annually and based on overall financial performance, customer satisfaction, and the ability to provide customers with cost-effective technology solutions. "In 2021, Imagine Technology Group experienced phenomenal growth that propelled them past the best companies in the industry," said Brian Suerth, President of Technology Assurance Group. "Imagine Technology Groups ability to provide leading-edge cybersecurity and IT solutions, that

increase their clients' performance and productivity, has fueled the company's overall success. In addition to offering industry-leading technology solutions, they maintain a highly talented team of professionals that deliver world-class technical services. Imagine Technology Group is an exceptional Member of TAG; one that is dedicated to applying best business practices that continually improve their organization. It was our privilege to showcase such a fine company at our annual event."

Chad Schwartz and Rudy Parga of Imagine Technology Group accepted the award for the company. "It's great to be recognized by TAG for our performance," said Mark. "Over the last 26 years, Imagine Technology Group' has continually worked at refining business processes and providing customer-focused innovation at all levels of our operations. We attribute much of our success to the many benefits that we receive from being a part of TAG. Our membership enables us to quickly adopt new ways of doing business that benefits both our customers and employees."
